

## ECOLABEL ACCREDITED WASHROOM CLEANER

- Low Impact on Aquatic Life
- Reduced use of Hazardous Chemicals
- Low Packaging Waste

### Concentrated Product

- Efficient cost in use
- One pack provides 666 in use trigger bottle refills
- Reusable Dispenser Pack Available

Suitable for cleaning all washroom surfaces including, floors, urinals, toilet bowls, showers and basins.

- Clear use instructions
- Compatible with hard surfaces commonly found in washrooms
- Cleaning performance independently assessed against market leading non Ecolabel products

## DOSAGE

Correct dosage saves on costs and minimises environmental impact

To prepare a 750ml trigger spray, fill with clean fresh water to the mark and add 1 shot of washroom cleaner from the 15ml pelican pump.

To prepare a mop bucket, add 75ml of washroom cleaner to 5ltr's of warm water

## USE INSTRUCTIONS

General Surface and Sanitary Ware Cleaning - Spray sparingly onto the surface to be cleaned, wipe or scrub stains as required and rinse. For smaller surface areas, apply the spray directly to the cloth and wipe the surface. Floor Cleaning - Remove gross debris from floors, apply detergent solution to the floor with a suitable mop, rinse with clean water and allow to air dry.

## BIODEGRADABILITY AND ENVIRONMENTAL

The surfactant(s) used in this preparation complies (comply) with the biodegradability criteria as laid down in the European Detergents Regulation No 648/2004. Not expected to Bioaccumulate.

Accredited Ecolabel product.

## SAFE HANDLING & STORAGE

Keep containers tightly closed. Store away from chlorinated products.

COSHH places a duty on employers to assess and control the risks of using hazardous substances.

The Safety Data Sheet provides the relevant information about the product to assist with this assessment.
