Welcome to Holchem

Welcome to Holchem & Gateway House

We hope your visit is enjoyable and informative.

The safety of visitors, contractors, our staff and the protection of the environment is our major focus.

Holchem was founded by Steve & Anne Bell in 1982 and continues today as a family run business supplying hygiene products and support.

Our mission is to “**deliver on our promises**”

Control of Major Accident Hazards (COMAH)

Gateway House comprises 105,000 sq. ft. of process, warehouse & office area covered by CCTV.

It is a top tier COMAH site and has taken all necessary measures to prevent major accidents.

All visitors are issued with an access card which must be swiped in and out when you enter or leave the building.

This card provides our fire register.

Contractors

All contractors who are entering site must report to the Operations Manager, Maintenance Engineer or the Regulatory and System Manager before any equipment or tools are off loaded or before any work on site commences.

Health & Safety

The site safely handles large quantities of various hazardous chemicals and complies with all the necessary legislation and codes of practice.

All visitors must be accompanied or supervised by a member of Holchem staff at all times.

Access to the technical laboratory, process and warehousing is restricted.

Personal Protective Equipment (PPE) will be issued where required.

Vehicles & Pedestrians

The site speed limit is 10 mph.

On arrival all visitors should park in a visitor parking space and go to Reception to sign-in.

If you need to unload goods please first park in a visitor parking space and contact Reception for instructions.

Pedestrians please take care and use footpaths and zebra crossings.

Visitor Protocol

Photographs, video or audio recording are not permitted unless authorised by your Holchem host.

Smoking is only permitted in a designated smoking area at the side of the building.

We are committed to minimising the risk of contamination of our products by foreign matter. Please follow your host's instructions regarding the wearing of jewellery, eating, and glassware etc.

Holchem operate an Anti-Bribery policy to ensure we maintain high ethical standards and protect its reputation.

Accidents or Incidents

Please report to your host any accident or incident that could compromise health or safety.

We have trained First Aiders who will respond to anyone requiring attention.

In case of emergencies, accidents, incidents & first aid:

- Notify your host, or
- Dial 500 - on an internal phone

Fire

If you see a fire please advise your host and press the fire call point. We have trained Fire Marshalls who will assist in the event of a fire.

If fire alarm sounds, please leave the building by the nearest exit and go to the fire assembly point and await instructions.

The fire alarm is tested weekly at 09:00 on a Monday. The sounders will sound for approx. 30 seconds.

Fire Assembly Point

The Fire Assembly Point is at the car park entrance.

Do not return to the building until the Fire Marshall tells you it is safe to do so.

Thank you for visiting Holchem and please travel safely.
